Re: Proposed Annexation No. 2
to the City of Downey

Dear Sir:

At the meeting held on May 22, 1957, the County Boundary Commission reviewed the boundary description and map submitted by Mrs. J. H. Howard, Jr., 11036 Benfield Avenue, Norwalk, University 4-7452, with her letter of the proposed annexation of territory to the City of Downey.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundaries description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.
